## CERTIFICATES

- **Online Leadership course from Harvard Business School**

## LANGUAGES

- English
- Amharic

## ORGANISATIONAL AND JOB-RELATED SKILLS

- Academic writing
- Faculty collaboration
- Academic research
- Planning and undertaking geological fieldwork.
- Geological mapping skills
- Structural data collection and measurements
- Geological sampling and analysis

## Referees

1. Dr. Jeevanandam Marpaan

Hawassa University, Ethiopia

## WORK EXPERIENCE

**Assistant Lecturer** Hawassa University, Ethiopia [03/08/2022- 1/11/2022]

- Participated in conferences and professional development opportunities to stay up to date with latest trends in field.
- Led seminars and workshops to facilitate student learning and engagement and increase memory retention.
- Met with students during and after office hours to address concerns and offer feedback.
- Participated in weekly faculty meetings and contributed to curriculum review.
- Mentored and advised students to explore career pathways based and amplify knowledge, skills, and strengths.
- Collaborated with faculty and staff to create meaningful learning experiences.

**Graduate Assistant** Hawassa University, Ethiopia [03/08/2021-03/08/2022]

- Contributed to research and data analysis within Geology department landscape.
- Supervised and mentored undergraduate assistants, aiding research project success.
- Taught small groups of students focused on specific parts of coursework.
- Assisted faculty members with data collection for potential academic publications.
- Coordinated with faculty members to develop course syllabus and materials.
- Led weekly seminars to discuss research findings and build ideas to progress projects.
- Led field trips.
- Analyzed acquired information and presented to professors.
- Organized national conferences and other academic events in coordination with department.

## ACADEMIC BACKGROUND

10/11/2022 – Present **Master of Science: Geochemistry**

Addis Ababa Science and Technology University - Addis Ababa, Ethiopia

Current GPA: 3.96

- **Completed Coursework:** Advanced Petrology, Advanced Geochemistry, Advanced Structural Geology and Advanced GIS and RS, High-and- Low- Temperature Geochemistry, Isotope Geochemistry and Exploration Geochemistry.

[3/10/2016 – 31/12/2021] **Bachelor of Science: Geology**

Hawassa University, Ethiopia

- **GPA:** 3.89
